

# We Partner with Local Hardware Stores Locations to Increase Traffic & Drive Sales!

## Why Mspark?

-  We create custom solutions that pinpoint your best customers by targeting at the zip code or carrier route level.

## What is the Benefit to Your Store?

-  Increase your return on investment by using shared mail to distribute traffic building offers to the households that are most likely to shop with you.

## If That's Not Enough, it's Also Easy...

-  Market profiling, customer analysis and distribution all in one place!

No other media can provide this level of targeting expertise!
