

We Partner with Local Hardware Stores Locations to Increase Traffic & Drive Sales!

Why Mspark?

-  We create custom solutions that pinpoint your best customers by targeting at the zip code or carrier route level.

What is the Benefit to Your Store?

-  Increase your return on investment by using shared mail to distribute traffic building offers to the households that are most likely to shop with you.

If That's Not Enough, it's Also Easy...

-  Market profiling, customer analysis and distribution all in one place!

No other media can provide this level of targeting expertise!
